

LoopX Hiring Roadmap

Generated 2026-06-28 for Scaling

Primary goal: to scale globally

Budget: INR 20,00,00,000

Overview

Runway-to-ROI plan for Scaling founders

A capital allocation roadmap for INR 20,00,00,000 focused on: to scale globally.

Budget Breakdown

Recommended runway: 6-9 months

Talent: 60% | INR 12,00,00,000

Reserved for direct team capacity.

Marketing/Ads: 25% | INR 5,00,00,000

Used to scale demand.

Ops/Tools: 15% | INR 3,00,00,000

Covers systems and overhead.

Hiring Roster

Recommended hires: 3

Sales Manager x1 | INR 15,00,000 annual

Adds structure to pipeline execution without forcing founder-led deal reviews on every opportunity.

Performance Marketer x1 | INR 10,00,000 annual

Scales paid demand and channel efficiency once the motion is already working.

Business Operations Manager x1 | INR 10,00,000 annual

Absorbs recurring operational drag so the founder can focus on leverage points.

Justification

Why this team works

At the Scaling stage, the fastest path to to scale globally is a lean team prioritizing execution.
